I céyá

Mobile Walkthrough Guide

Post a job and apply on your phone

This step-by-step guide shows you:

- How an employer creates an account and posts a job from their phone
- How an applicant signs up, finds a job and applies on mobile

Every screen below was captured on a real mobile viewport (390 × 844, 2× DPR), so what you see here is exactly what your users see on their phones.

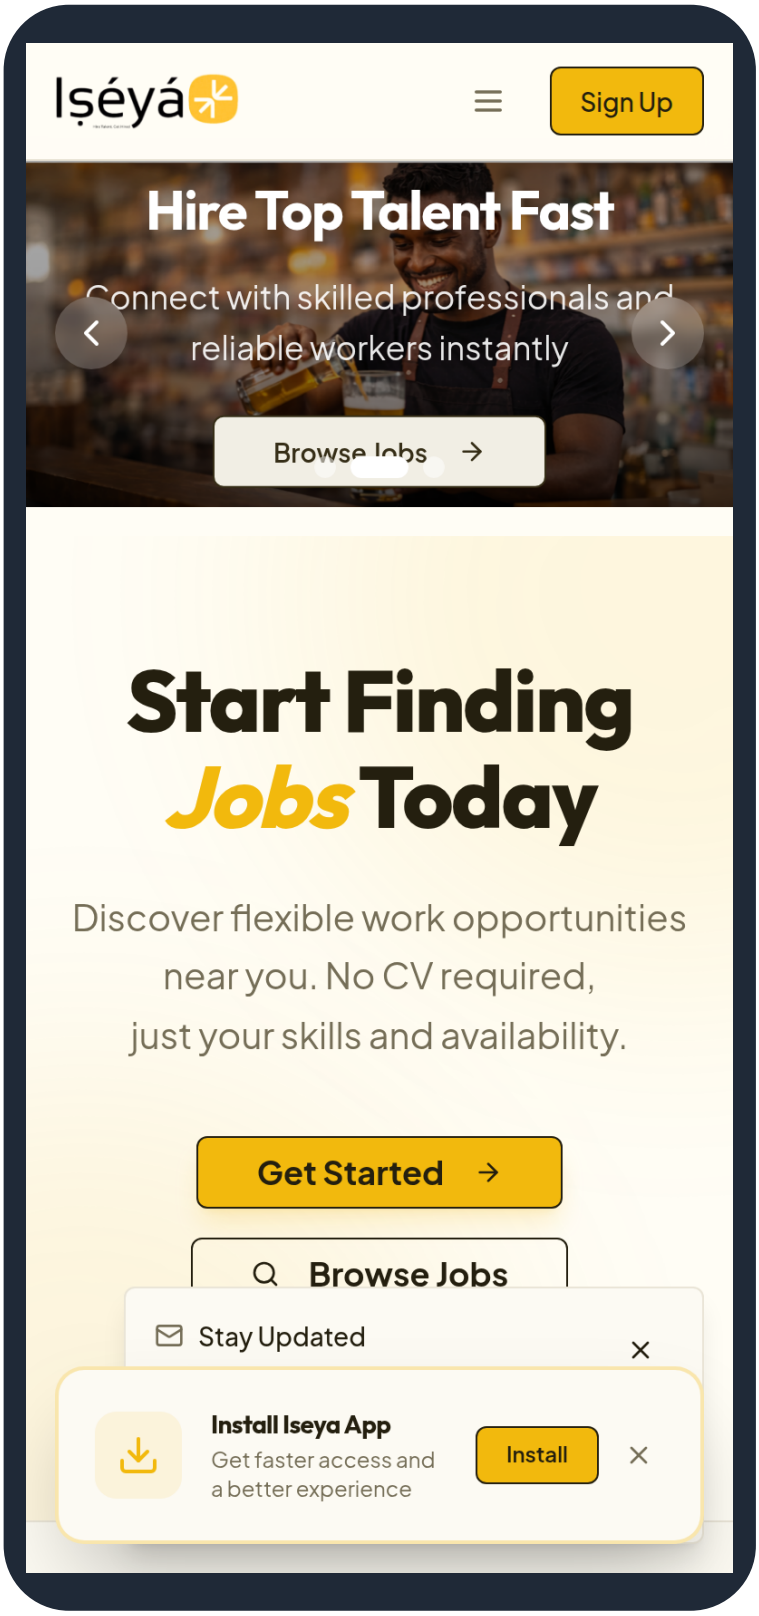
Connecting Nigerian workers with opportunities.

Part 1 — Employer flow

Post your first job from your phone in 9 simple steps

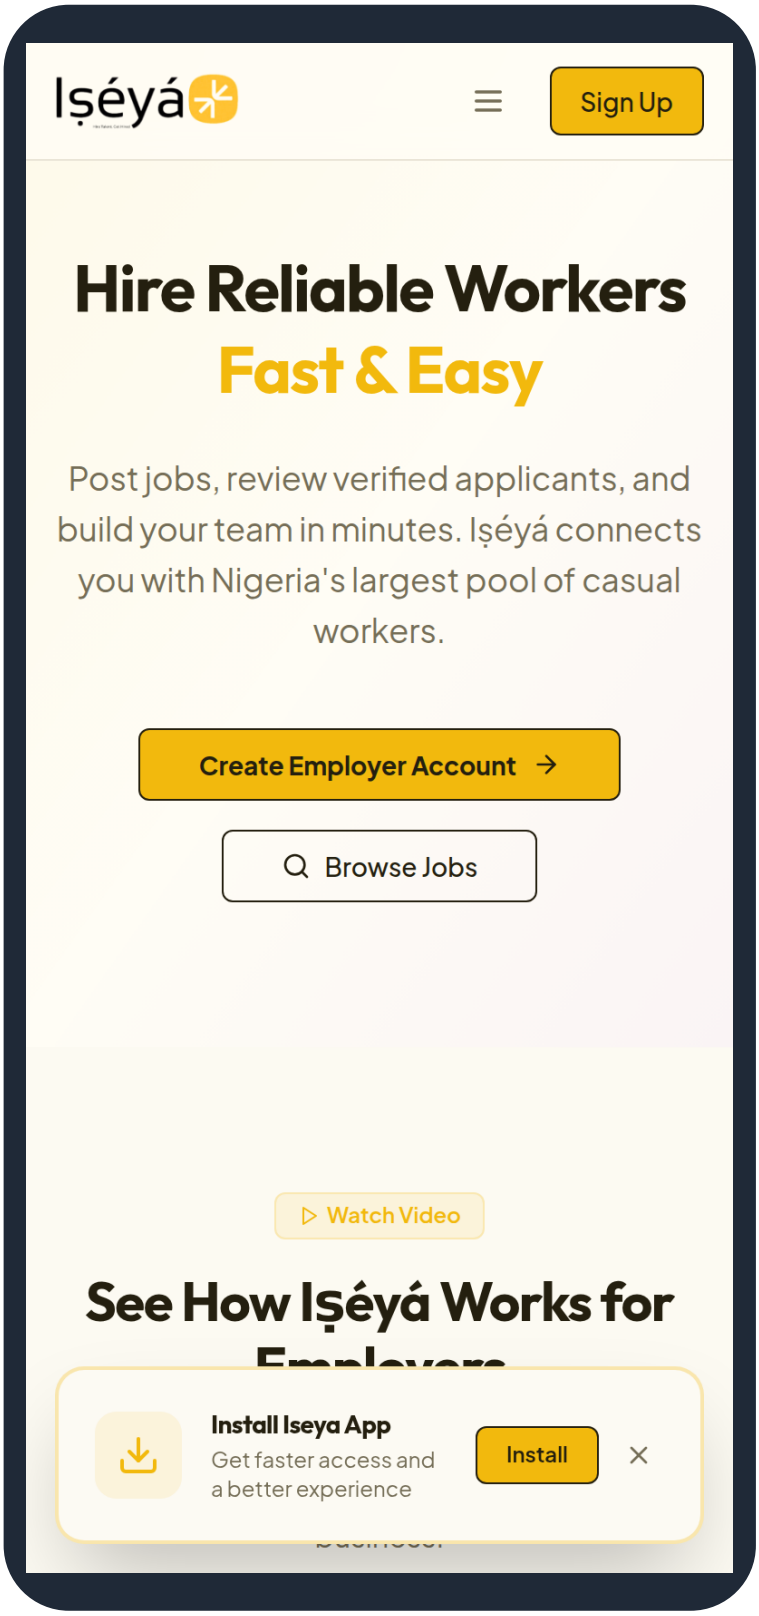
1. Open the I céyá app

Launch the I céyá web app or PWA on your phone and tap Get Started or Sign Up.



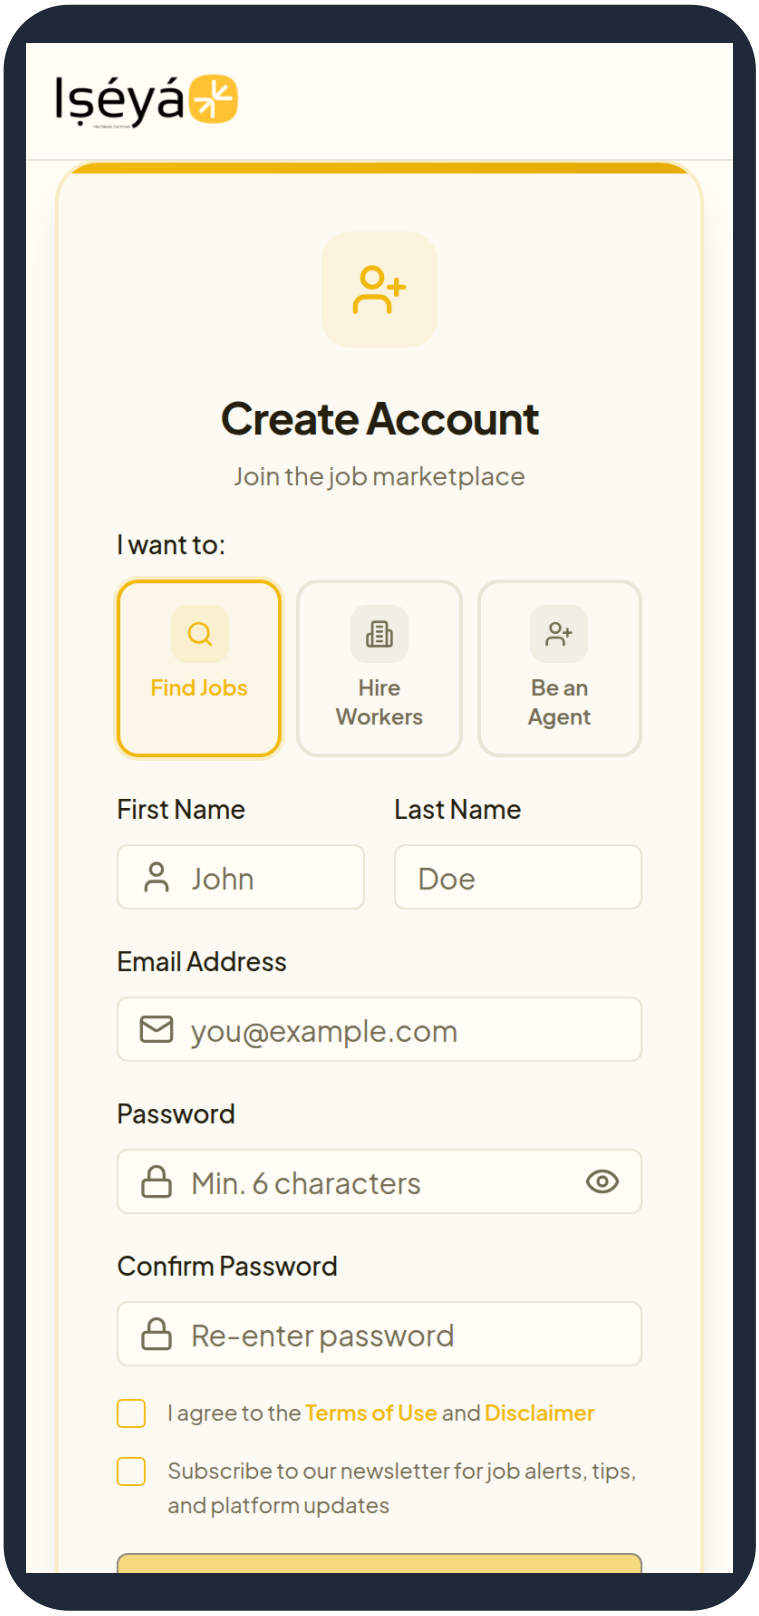
2. Tap For Employers

Open the For Employers page from the menu to see the benefits of hiring on I céyá.



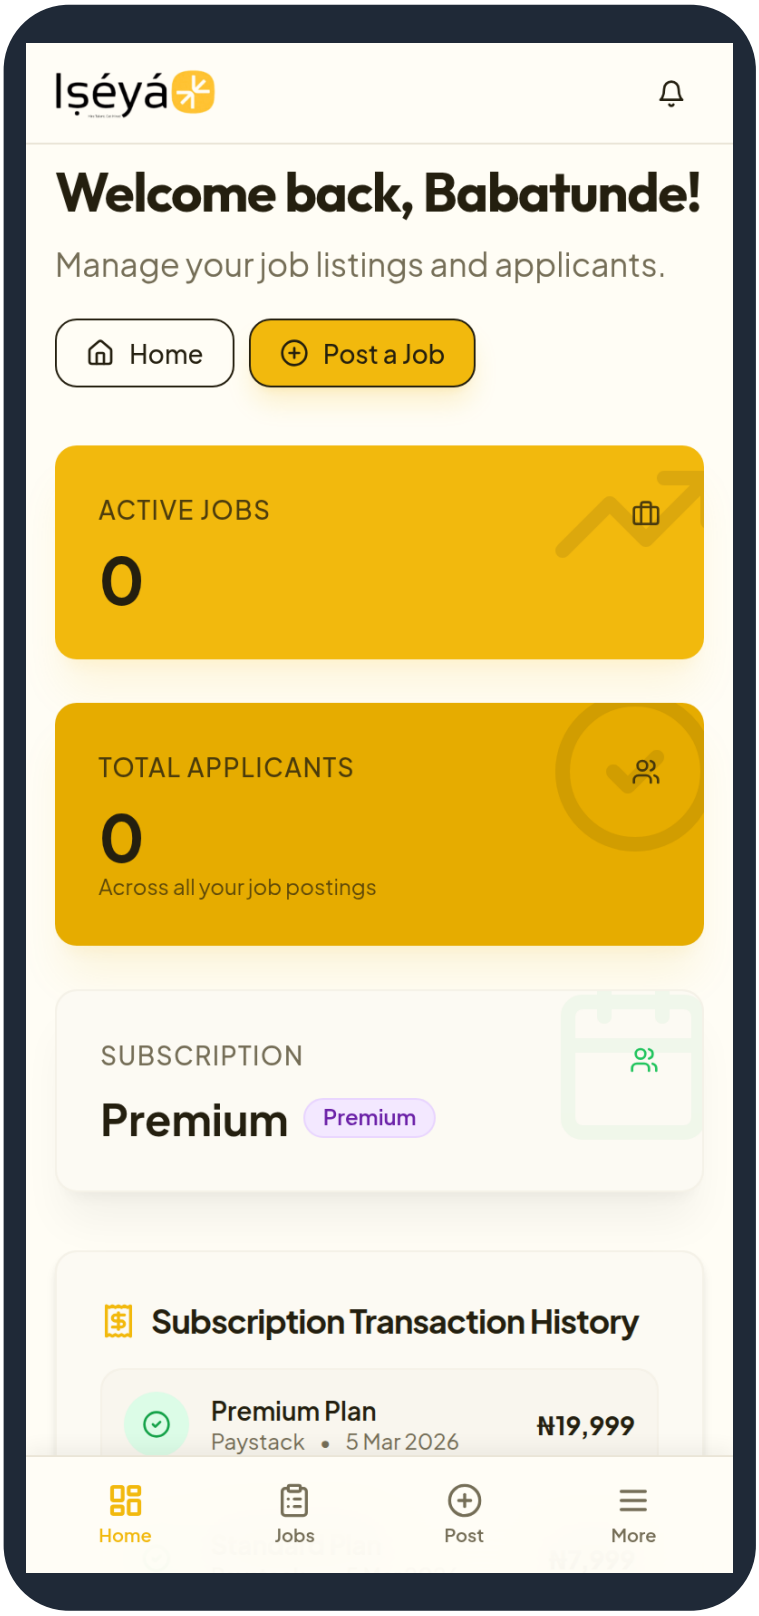
3. Create your employer account

Enter your details and choose the Employer role to unlock job posting on mobile.



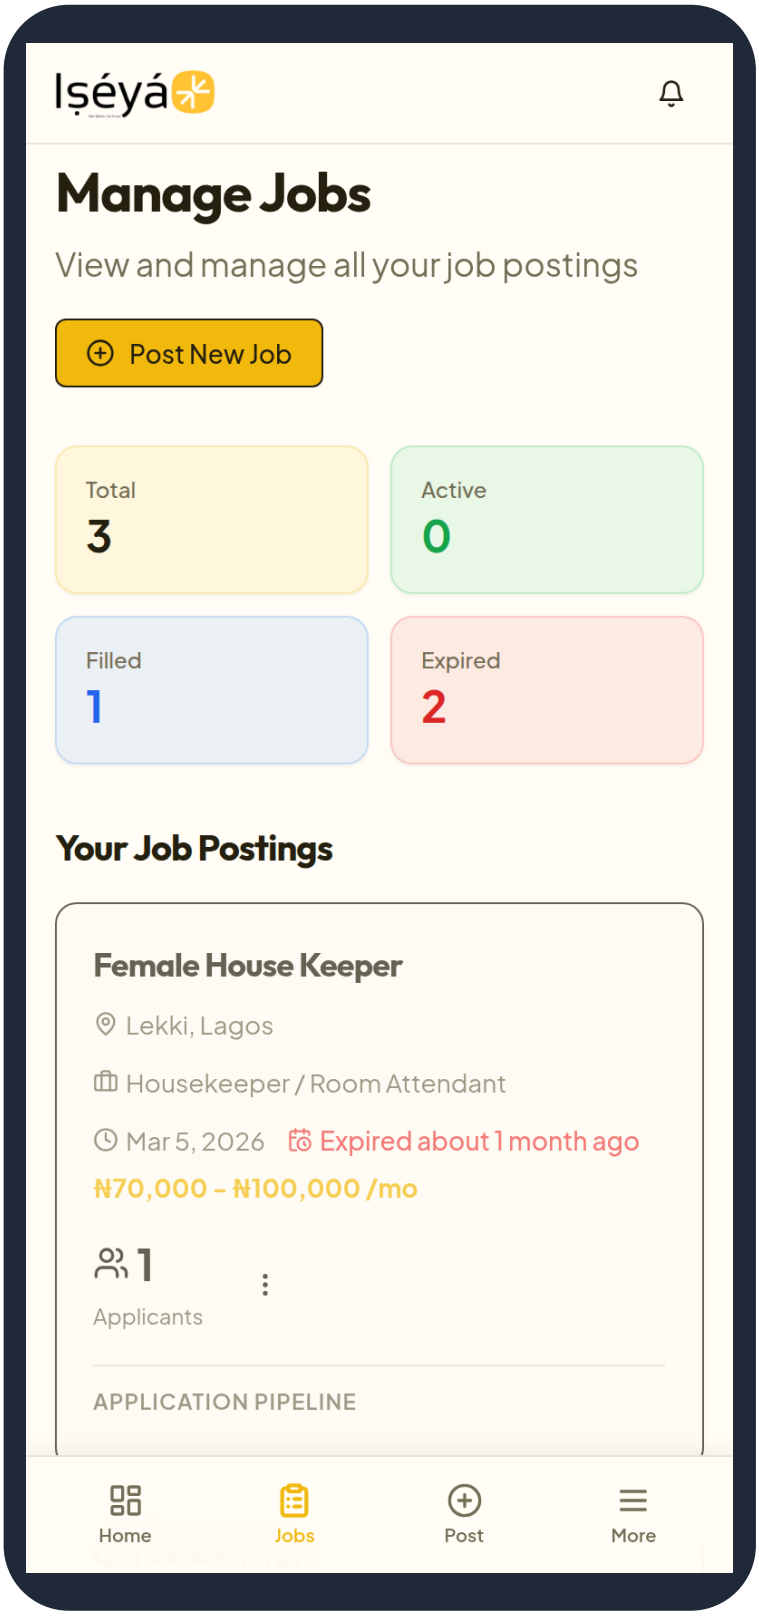
4. Land on your dashboard

See active jobs, recent applications and quick actions — all optimised for one-handed use.



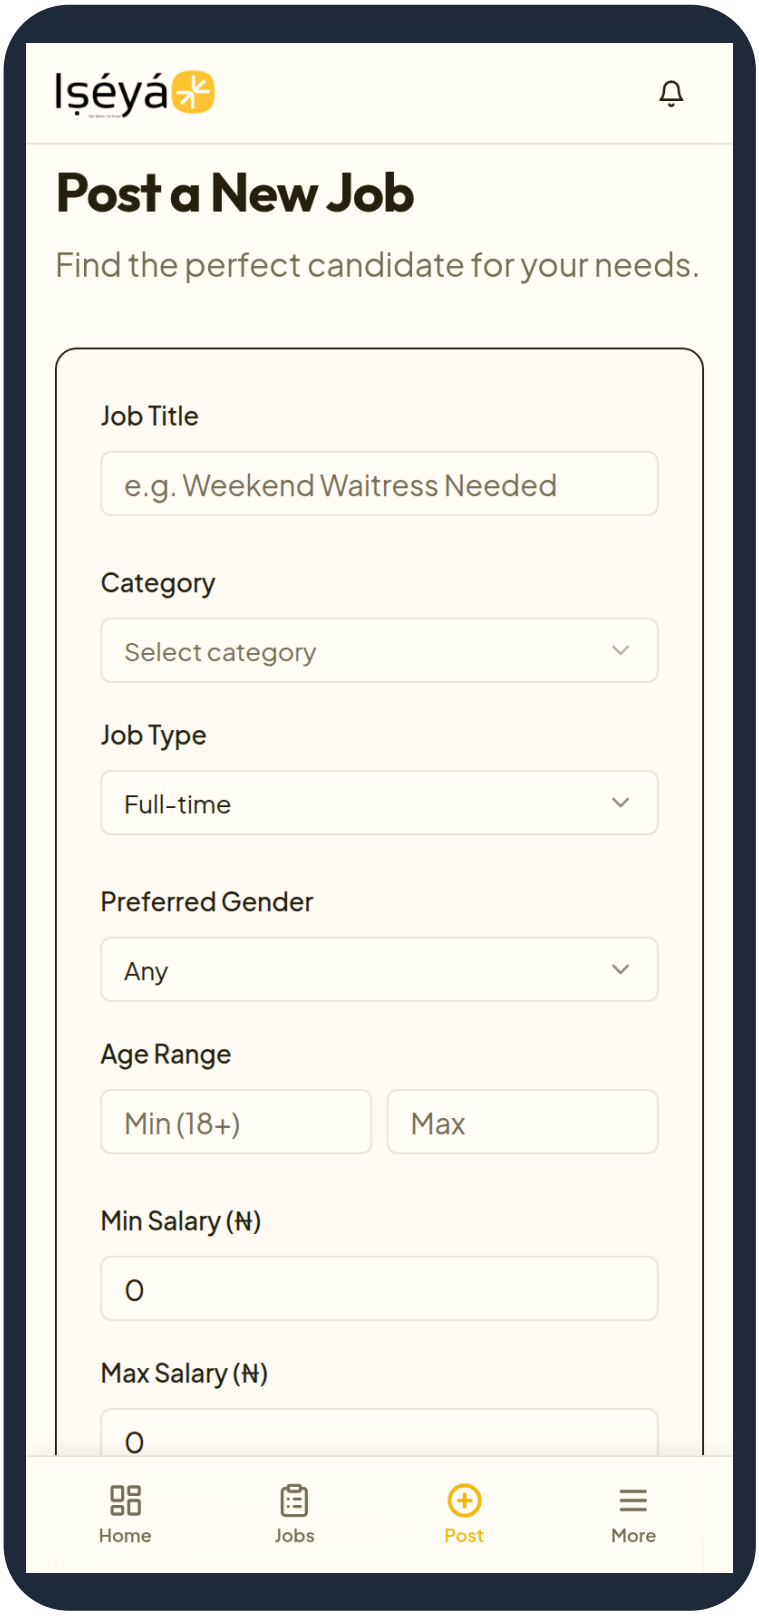
5. Open Manage Jobs

Use the bottom navigation to view, edit or close every job you have posted.



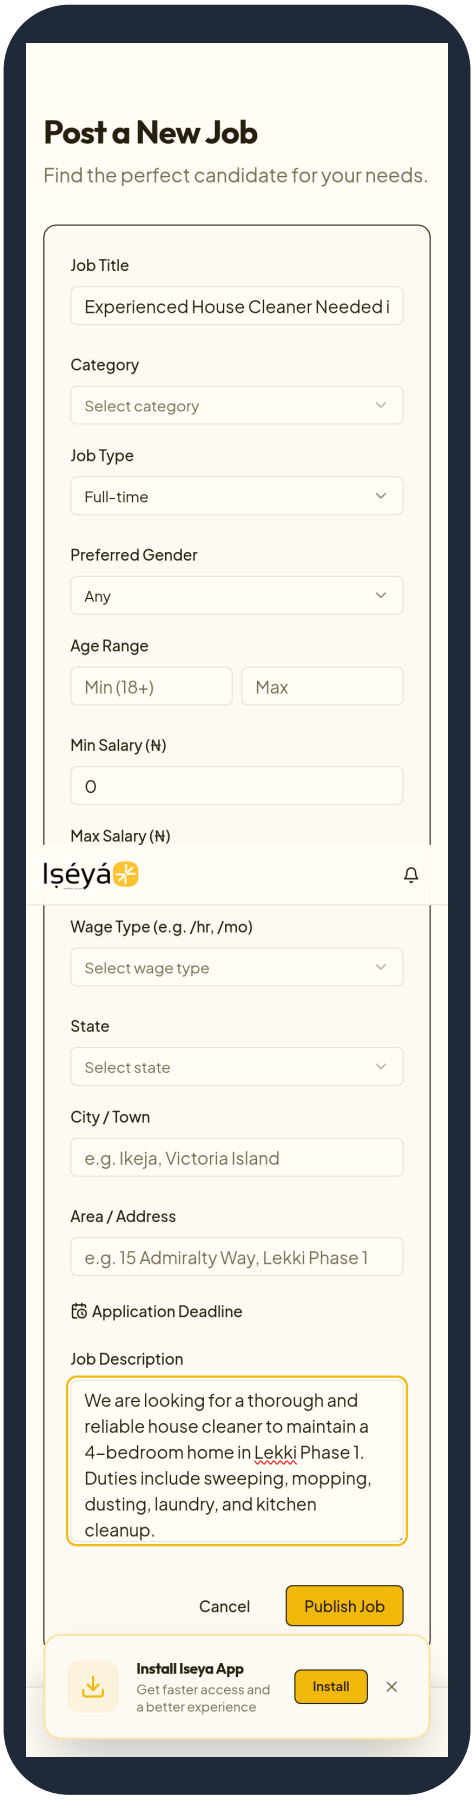
6. Tap Post in the bottom nav

The Post button opens the new job form with all the fields you need to attract great applicants.



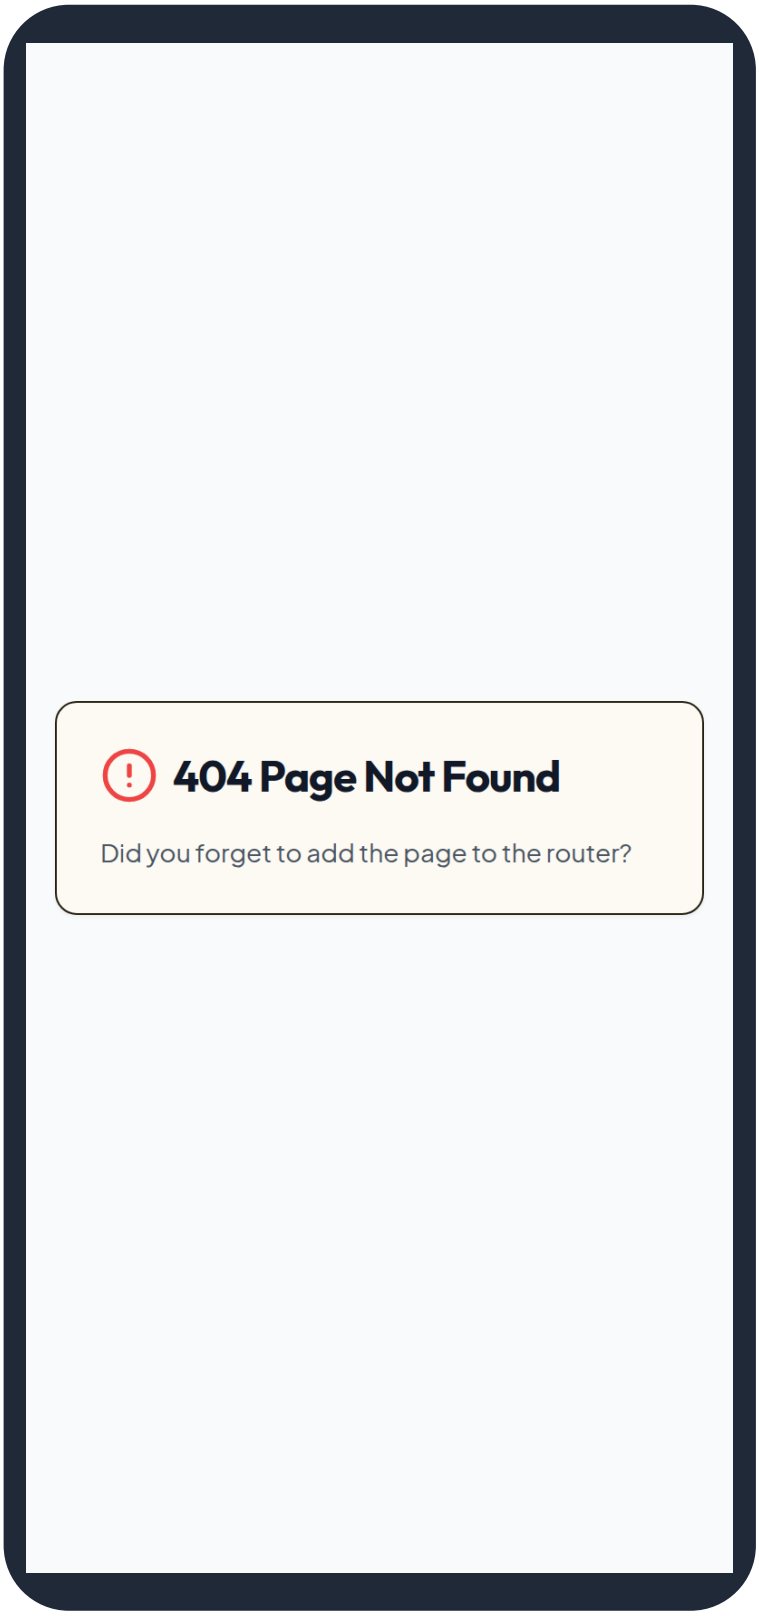
7. Fill in your job details

Add a title, category, salary range, location, deadline and a clear description, then publish.



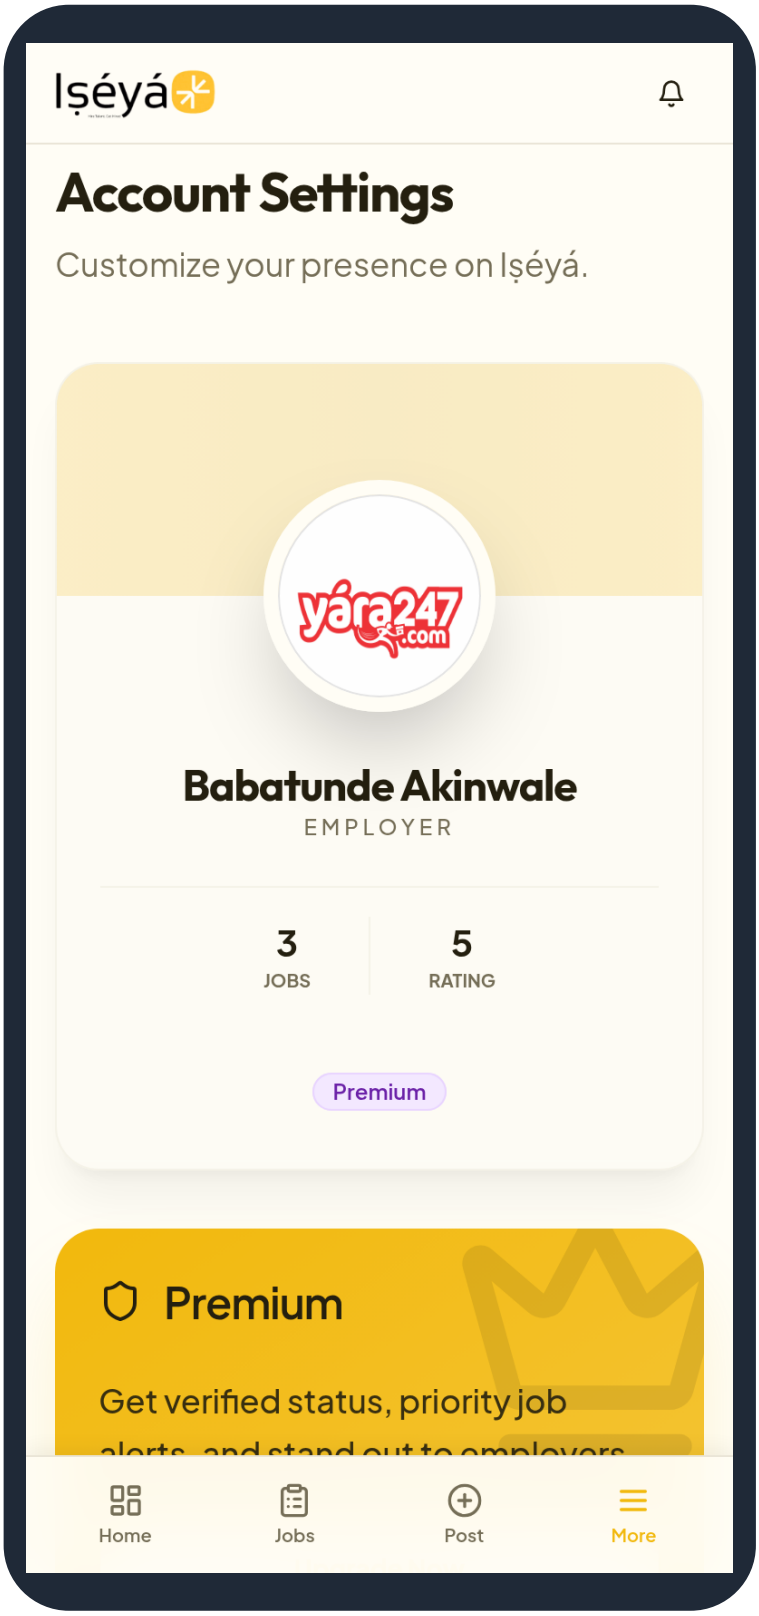
8. Review your applicants

Tap Jobs in the bottom nav to see who applied to each role and review their profiles.



9. Manage your company profile

Open Profile from the More menu to update your company name, logo and contact information.

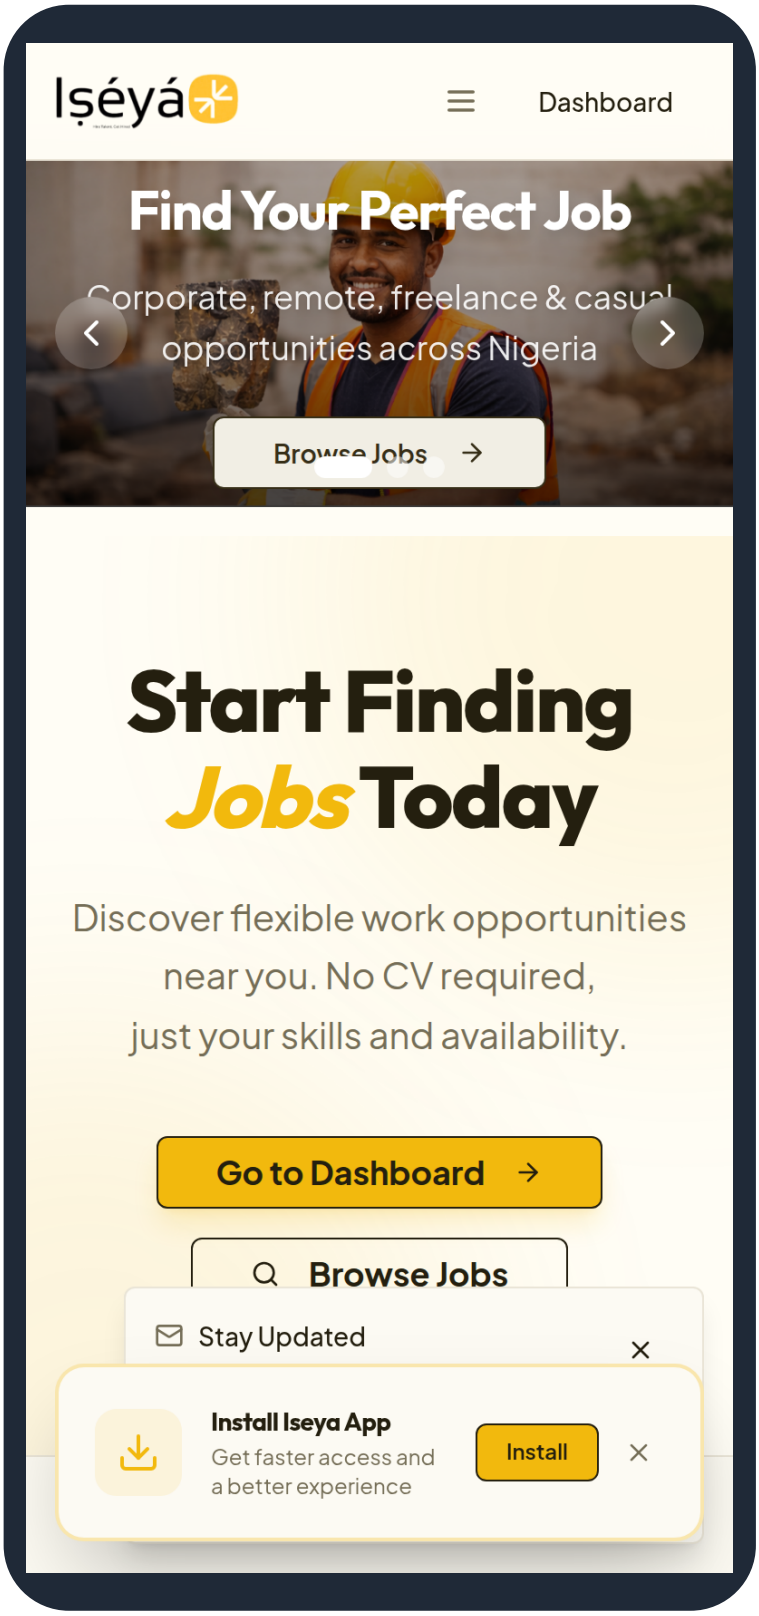


Part 2 — Applicant flow

Find a job and apply on your phone in 8 simple steps

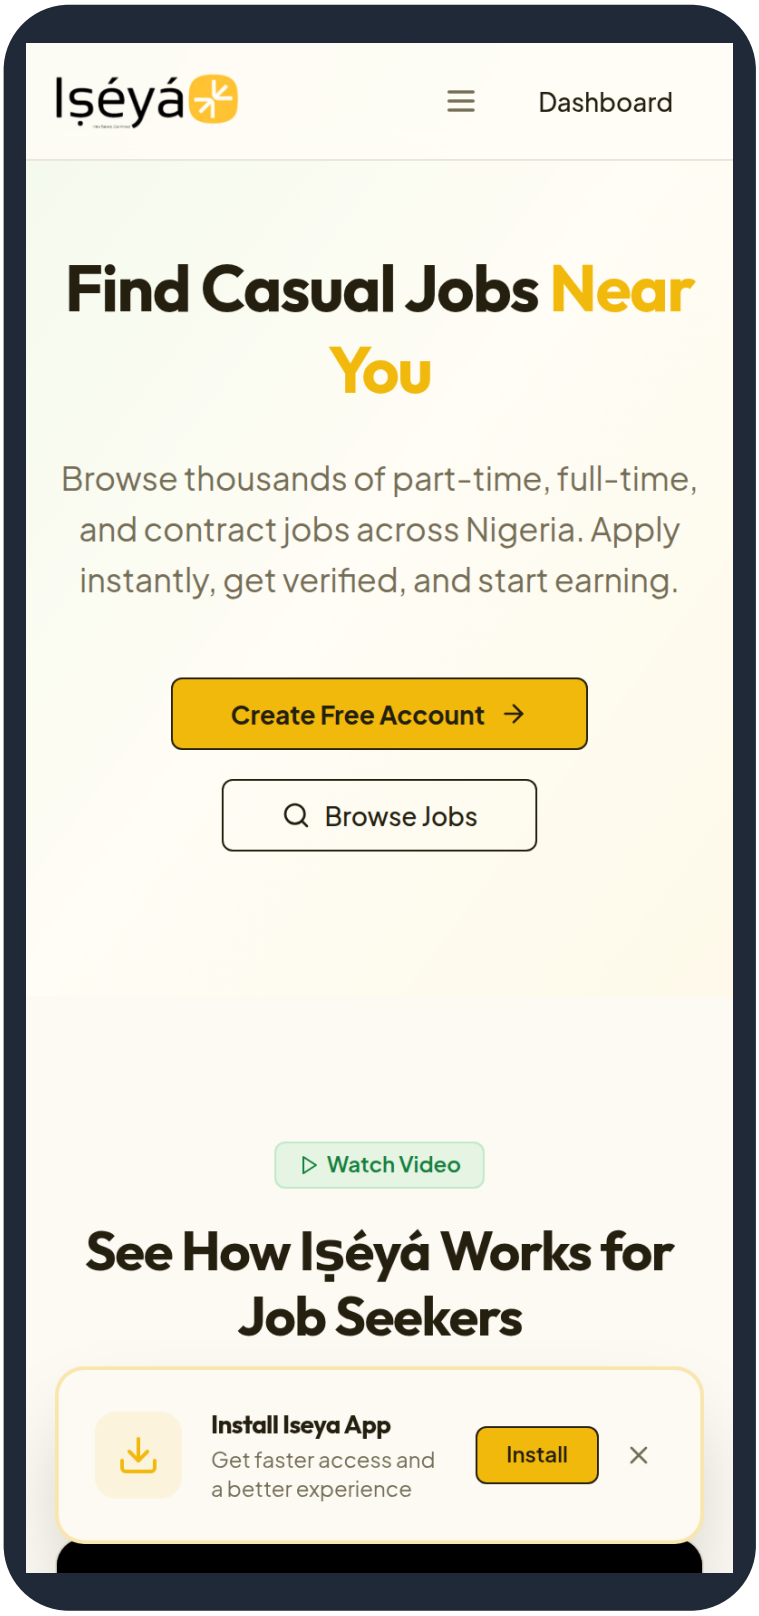
1. Open the I céyá app

Launch I céyá on your phone and tap Browse Jobs or Get Started to begin.



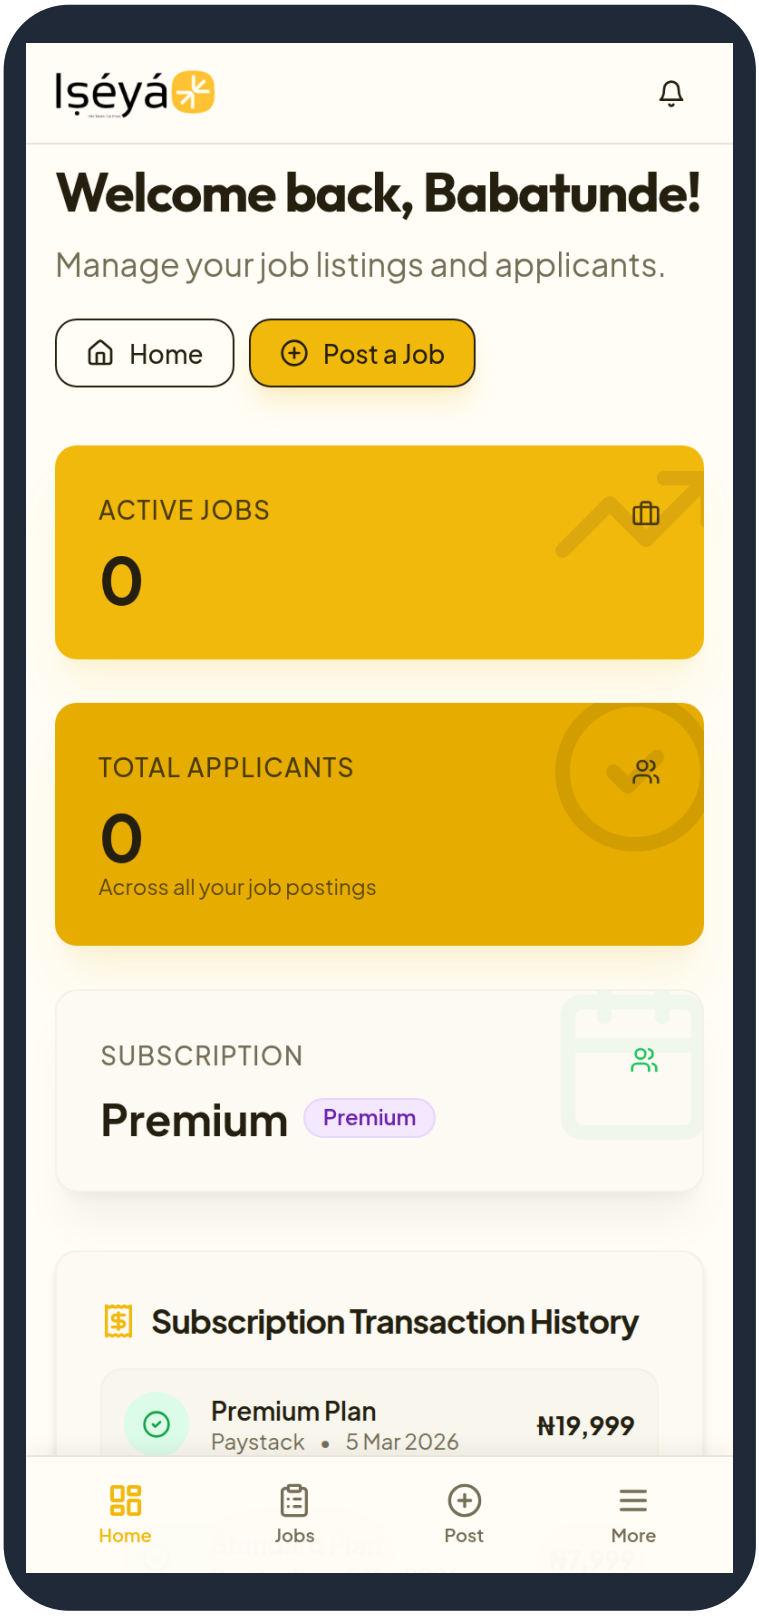
2. Visit the For Job Seekers page

See how I céyá helps you find verified casual jobs near you, with priority for verified profiles.



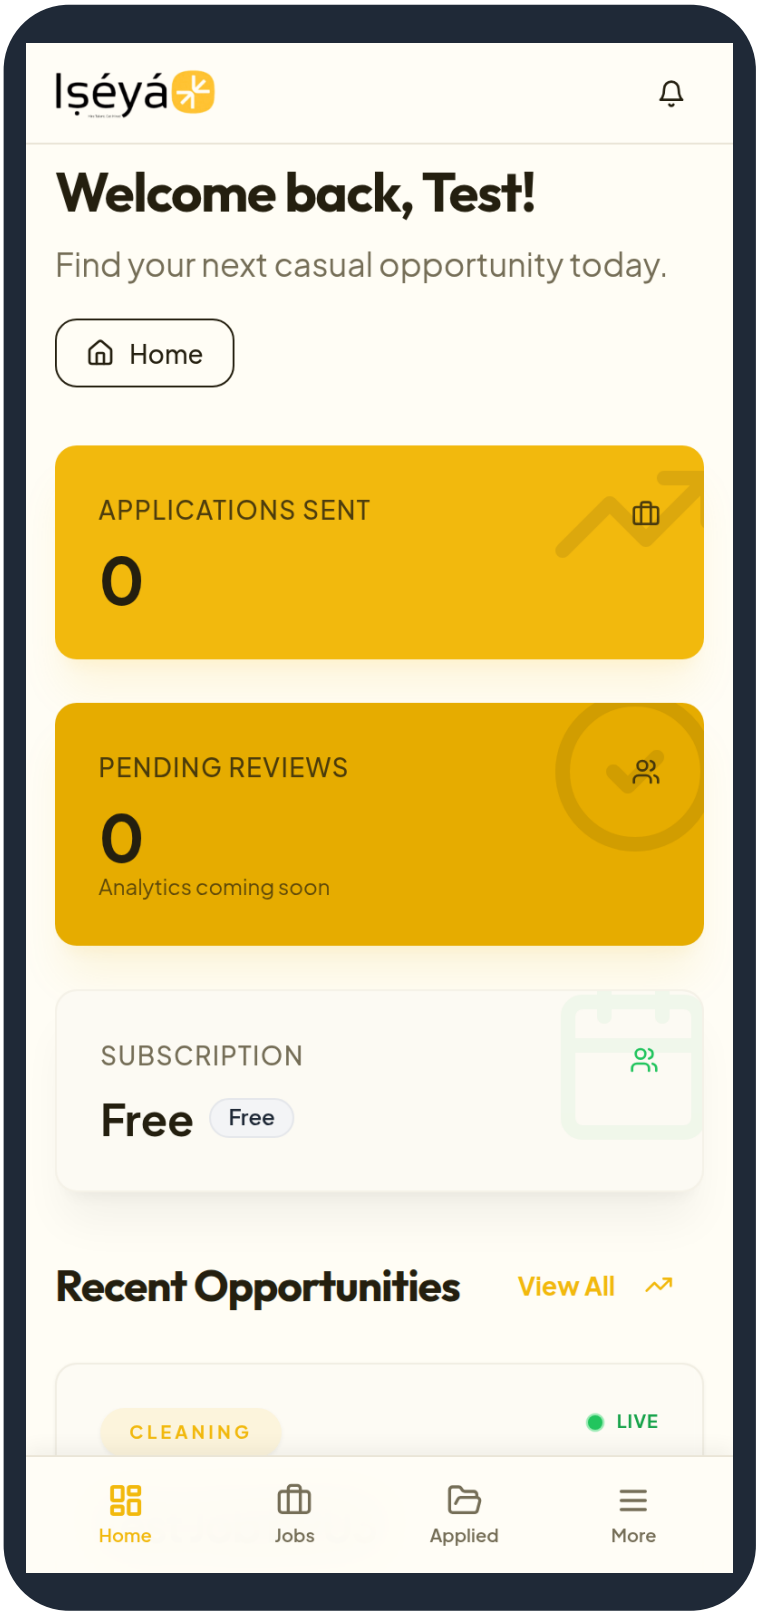
3. Sign up as an applicant

Create a free account, choose the Applicant role and verify your email.



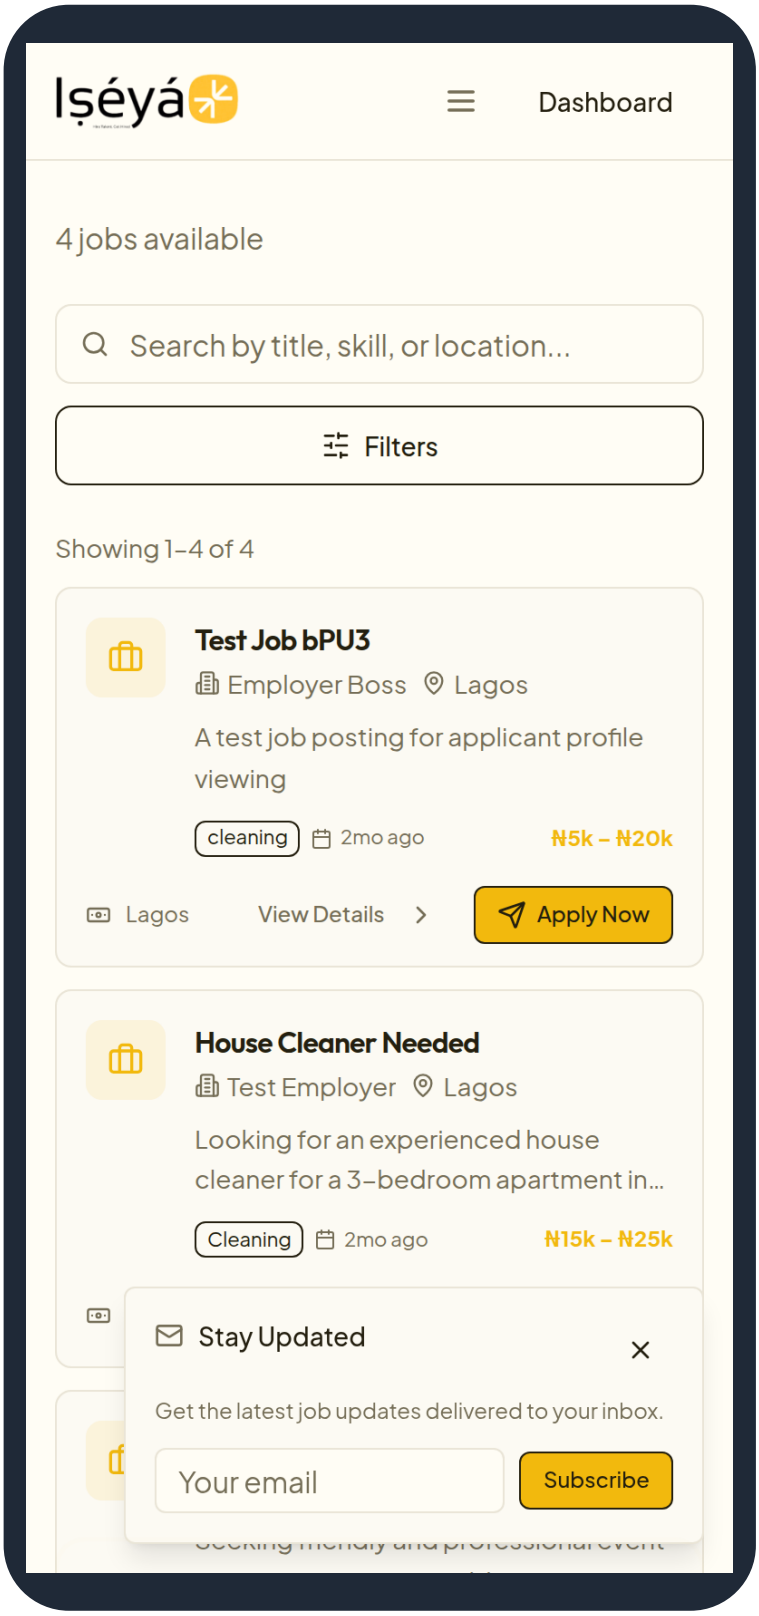
4. View your applicant dashboard

See recommended jobs, your application status and notifications all on one screen.



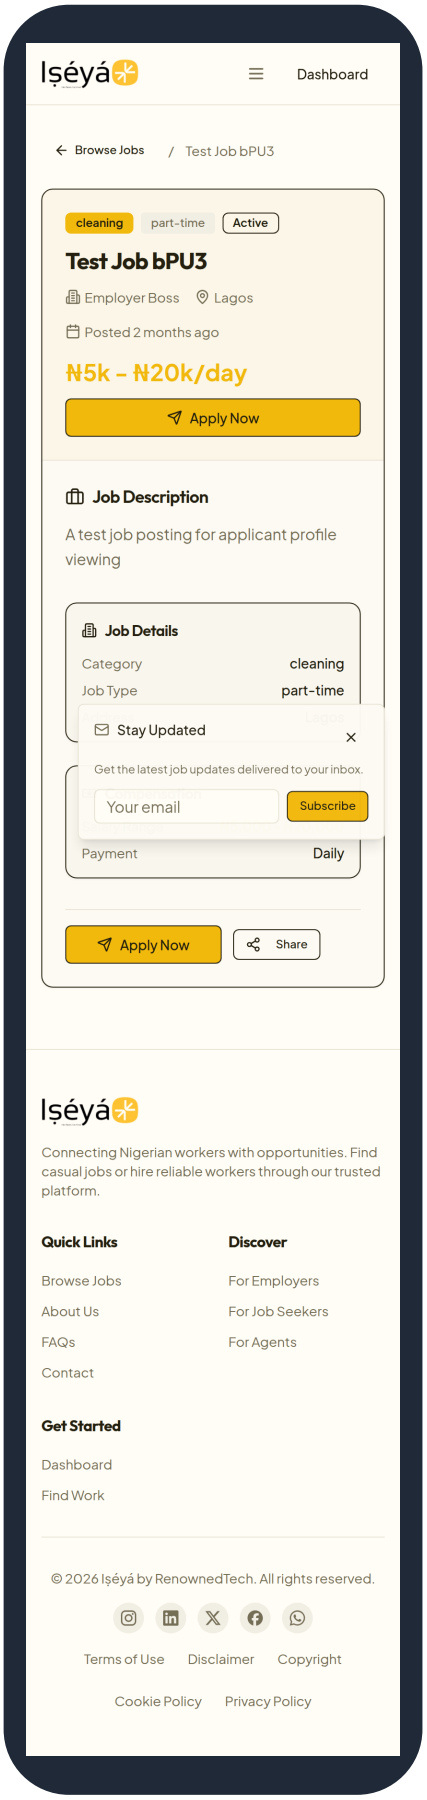
5. Browse jobs near you

Filter by category, location, salary or job type to find roles that match your skills.



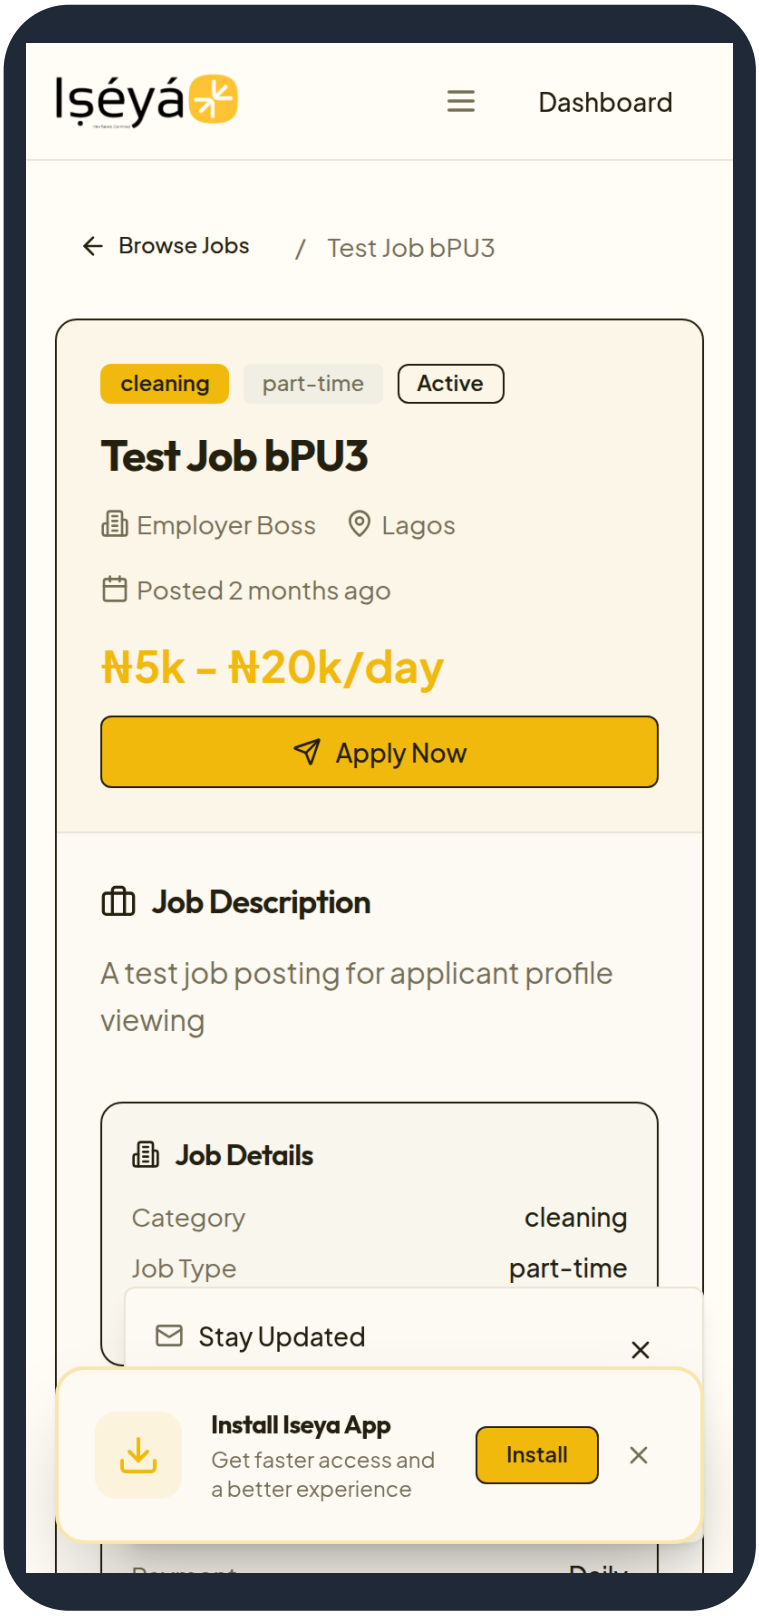
6. Tap a job to read the details

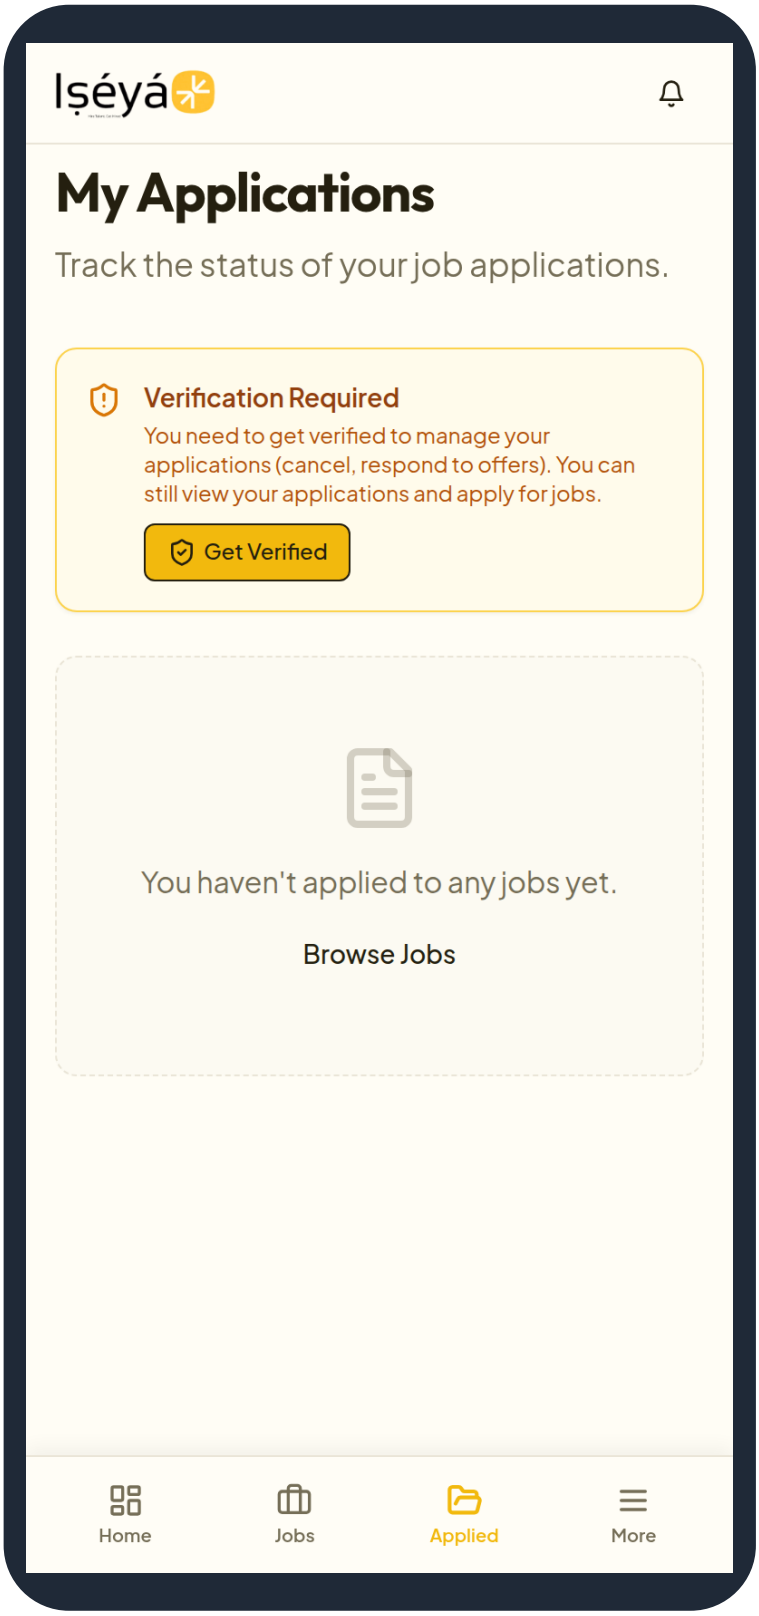
Review the description, salary range and employer, then tap the big Apply Now button.



7. Submit your application

Write a short message to the employer, attach your CV if needed and send your application.



8. Track your applications


Open My Applications to see the status of every job you applied for and respond to offers.
